

BANARAS HINDU UNIVERSITY

B.Sc. (CS)-III Mid Semester Examination 2025-26 (NEP)

COMPUTER SCIENCE**Paper: CSCMV32 — IT Tools & Applications**

Time: 3 Hours

Full Marks: 40

Instructions: Answer all questions as specified. The figures in the right-hand margin indicate marks.

Question 1. Create an Excel file and name it as your exam roll number. *[10 Marks]*

- (a) In sheet1, enter 15 in A1, 25 in B1 and 30 in C1. Find the value of $= (A1+B1)/C1+2$.
- (b) In sheet2, enter "Students ID" column with values 2025CSMV001 to 2025CSMV010, add another column as "Roll Number" and enter last 3 digits from student ID using a formula. Also, write the formula for extracting roll number from student ID.
- (c) Add column "Marks Obtained" and enter 10 random numbers between 1–100 in column C as the marks in English. Write the formula to enter random numbers between 1–100.
- (d) Find the 2nd lowest marks obtained by the student and then use INDEX-MATCH to lookup the student ID corresponding to that number.
- (e) In column "Viva Date", enter random dates between 1 December 2025 and today's date. Write the formula for the same.
- (f) Using VLOOKUP, find the Viva Date of the student with Student ID = 2025CSCMV006. Also, write the formula.
- (g) Create column "Final marks" and use LET function along with a conditional function to enter the value equal to "Marks Obtained" +3 if "Marks Obtained" is < 50 and equal to "Marks Obtained" otherwise. Also, write the formula.

Question 2. *[10 Marks]*

- (a) Write something about (i) Yourself (ii) Varanasi (iii) Your Hometown.
- (b) Write the content in 2 different paragraphs, having at least 3 lines (not 3 sentences) each. Make 1st paragraph Centrally Aligned & 2nd paragraph Justified. Wherever you mention your name/Varanasi/Your Hometown's Name, change the font style to Bradley Hand ITC, make it bold and underline it. Add space after paragraph & change line spacing to 1.5 pts. Also, highlight all the content of 2nd paragraph in "Turquoise" colour with text colour in "Blue, Accent 1, Darker 25%". Insert an image (source of image should be online) in the document according to the option chosen and format the Picture Style to RRR (Reflected Rounded Rectangle).

- (c) Save the file with a filename <Your Name> Work. Find your name/Varanasi/Your Hometown's Name in the document, replace it with India and save these changes in a new file with filename <Your Name> New, in Portable Document Format (PDF).

Question 3. Create a PowerPoint presentation on the topic "Applications of PowerPoint" with 5 slides. After that, do the following tasks: *[10 Marks]*

- (a) Apply a design theme of your choice.
- (b) Insert a title and subtitle on the first slide with your name and course.
- (c) Apply slide transition effects to all slides.
- (d) Insert a shape and animate it to move in a circular path.
- (e) Insert an image and add multiple animations to the same image (Entrance + Emphasis + Exit).
- (f) Set up your presentation to run automatically with timings for each slide.
- (g) Add speaker notes to at least two slides.

Question 4. Create the following tables in MS-Access with appropriate data types and constraints: *[10 Marks]*

Students(StudentID, Name, Gender, Phone, CourseID)

Courses(CourseID, CourseName, Duration, Fees)

- (a) Set StudentID and CourseID as primary keys.
- (b) Create a one-to-many relationship between Courses → Students.
- (c) Enter at least 5 student records and 3 course records.
