

BANARAS HINDU UNIVERSITY

B.Sc. (Hons.) — Semester IV Examination, 2022-23

Paper: GLB-401 — Palaeontology and Stratigraphy

Time: 3 Hours

Maximum Marks: 70

Ref. No.: 058430

*Instructions: Answer **five** questions in all, selecting at least **two** each from Sections A and B, and Section-C which is compulsory. All questions carry equal marks.*

SECTION — A

Question 1. Attempt **any two** of the following: [2 × 7 = 14]

- (i) Discuss different conditions for fossilization.
- (ii) With neat sketches, describe the morphology of rhabdosome in graptolites.
- (iii) With neat sketches, discuss the detailed morphology of anthozoa.

Question 2. With neat sketches, discuss the morphology and geological distribution of class echinoidea. [14]

Question 3. Explain in detail the Geological Time Scale. [14]

Question 4. Briefly explain the Cuddapah Supergroup of rocks with special emphasis on lithostratigraphic classification, lithology, and economic importance. [14]

SECTION — B

Question 5. Write a brief note on **any two** of the following: [2 × 7 = 14]

- (i) Mineralization
- (ii) Geological distribution of trilobites
- (iii) Economic importance of Dharwar Supergroup

Question 6. Write a brief note on **any two** of the following: [2 × 7 = 14]

- (i) Cephalon in trilobites with neat sketches.
- (ii) Principles of Stratigraphy.
- (iii) Physical subdivision of India with a suitable map.

Question 7. Describe in detail the stratigraphy of the Aravalli craton of India with special reference to lithostratigraphic classification and economic importance. [14]

SECTION — C

Question 8. Answer the following in 1 to 5 sentences:

- (i) Difference between reworked fossil and remain fossil. [2]
- (ii) Genal angle in trilobites. [2]
- (iii) Index fossil. [2]
- (iv) Calyx in Anthozoa. [2]
- (v) Write the name of a barite deposit located in Cuddapah Basin. [1]
- (vi) What is gondite? [1]
- (vii) What is the geological age of Rohtas Limestone? [1]
- (viii) Write the name of a gold deposit located in Dharwar Craton. [1]
- (ix) Write the names of two peninsular rivers. [1]
- (x) Write the name of the oldest rock of the Vindhyan Basin. [1]
